Dear Sir:

The present application is a continuation application of Application Serial No. 09/740,211, filed December 18, 2000 which is a continuation of Application Serial No. 09/470,618, filed December 22, 1999 which is a CIP of Application Serial No. 09/364,862, filed July 30, 1999. The application includes a paper copy of the Sequence Listing. The information on the Sequence Listing is identical to that of the parent application. Thus, the data on the compute readable disk filed in the parent application (U.S. Application Serial No. 09/364,862, filed July 30, 1999), is referred to here, in lieu of a new diskette, as permitted by 37 C.F.R. § 1.821(e). As required under 37 C.F.R. § 1.821(f), I hereby verify that the data on this

previously-filed disk and the paper copy of the Sequence Listing are identical. Pursuant to 37 C.F.R. § 1.821(g), no new matter is being added herewith.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Mara Featherstone", with a stylized, flowing script.
